PROGRAMEE REPORT

Program Name: Poster Presentation on Ideas For Entrepreneurship and Innovation.

Resource Person: Dr. Upendar, Assistant Professor,

Mother Theresa College Of Engineering & Technology

Peddapalli – 505172

Date of the Event: 13.12.2023.

Venue: Seminar Hall

Objectives:

The primary goals of entrepreneurship include:

- creating value,
- innovating,
- achieving financial independence,
- positively impacting society,
- building a sustainable business model that will endure.

Learning Outcome:

Entrepreneurship and Innovation minors will be able to sell themselves and their ideas. Students master oral and visual presentation skills and establish a foundation of confidence in the skills necessary to cause others to act.

PROGRAMEE REPORT

Program Name: Entrepreneurship and innovation as carrier option.

Resource Person: K.Madhuri Priya, Assistant Professor,

Mother Theresa College Of Engineering & Technology

Peddapalli – 505172

Date of the Event: 04.03.2024.

Venue: Seminar Hall

Objectives:

A Career in Entrepreneurship refers to the pursuit of starting and running one's own business venture instead of working for someone else. It involves taking risks, being innovative, and being willing to face the entrepreneurship challenges that come with starting and managing a business.

Learning Outcome:

Independence and Freedom: Entrepreneurs can make decisions, set goals, and determine their own path. The constraints of traditional employment do not bind them and can create a work environment that aligns with their values and vision.

PROGRAMEE REPORT

Program Name: Three days workshop on Mahindra Pride classroom on Employability.

Resource Person: Bhanu Priya, Assistant Professor,
Vivekananda Institute of Technology & Sciences,
Karimnagar.

Date of the Event: 15.02.2024 to 17.2.2024.

Venue: Seminar Hall

Objectives:

- Employability skills, also known as soft skills or transferable skills, encompass a wide range of interpersonal, communication, problem-solving, leadership, and teamwork abilities that enable individuals to thrive in the workplace and adapt to changing professional demands.

Learning Outcome:

Mahindra Pride Classrooms (MPC) was launched as a youth skilling initiative inclusive of boys and has now evolved into an all-women program to support the nation's priority of increasing women's labour force participation in the formal economy.

Program Name: Three days workshop on Devops.

Resource Person: Dr.B.Manohar, Assistant Professor,
Vageshwari college of Engineering,
Karimnagar.

Date of the Event: 07.12.2023 to 09.12.2023.

Venue: Seminar Hall

Objectives:

- The primary objective of this workshop is to establish an Azure DevOps Organization that embodies your work and facilitates Portfolio Management.
- This process involves an evaluation of an existing Azure DevOps implementation or the creation of a brand-new Azure DevOps Organization.

Learning Outcome:

Devops is a set of practices, tools, and a cultural philosophy that automate and integrate the processes between software development and IT teams. It emphasizes team empowerment, cross-team communication and collaboration, and technology automation.

PROGRAMEE REPORT

Program Name: Patent Drafting and Registration

Resource Person: Dr. Upendar, Assistant Professor,

Mother Theresa College Of Engineering & Technology

Peddapalli – 505172

Date of the Event: 14.09.2023

Venue: Seminar Hall

Objectives:

- The invention must be necessary.
- It must describe the technical issues with the current technology and how to solve them.
- It must highlight the differences between the claimed invention and the prior art.

Learning outcomes:

Drafting and filing a patent application is a significant milestone on your way to patenting an idea or product.

If granted, it will give you the sole right to your invention, and may prevent others from making, selling or using it without your permission.

Date: 13.07.2023

PROGRAMEE REPORT

Program Name: WEBINAR ON FINANCIAL WELL- BEING

Resource Person: K. Madhuri Priya, Assistant Professor,
Mother Theresa College Of Engineering & Technology
Peddapalli – 505172

Date of the Event: 12.07.2023

Venue: Seminar Hall

Objectives:

Consumers can experience financial well-being—or a lack of it—regardless of income. It's a highly personal state, not fully described by objective financial measures. Instead, well-being is defined as having financial security and financial freedom of choice, in the present and in the future.

Learning outcomes:

Being financially well means you can meet your current and ongoing financial obligations, feel secure in your financial future, and are able to make choices that allow you to enjoy life – in other words, financial freedom.

PROGRAMEE REPORT

Program Name: Three days workshop on cloud computing

Resource Person: S. Sridhar reddy, Assistant Professor,
Vivekananda Institute of Technology & Sciences, Karimnagar.

Date of the Event: 04.09.2023 to 06.09.2023

Venue: Seminar Hall

Objectives:

Cloud computing makes data backup, disaster recovery Business continuity easier and less expensive because data can be mirrored at multiple redundant sites on the cloud provider's network.

Learning outcomes:

- Computing in virtualization-based environments
- Platforms, infrastructures and applications
- Challenging feature

PROGRAMEE REPORT

Program Name: Three days Workshop on JAVA FUNDAMENTAL

Resource Person: Dr. B. Manohar

Assistant Professor,
Vaageshwari College of Engineering, Karimnagar

Date of the Event: 06.02.2024 to 08.02.2024

Venue: Seminar Hall

Objectives:

- To learn why Java is useful for the design of desktop and web applications.
- To learn how to implement object-oriented designs with Java.
- To identify Java language components and how they work together in applications.
- To design and program stand-alone Java applications.
- To learn how to design a graphical user interface (GUI) with Java Swing.
- To understand how to use Java APIs for program development.
- To learn how to extend Java classes with inheritance and dynamic binding.
- To learn how to use exception handling in Java applications.

Learning outcomes:

Java is a powerful and versatile programming language that has become a staple in the world of software development. Its platform independence, object-oriented design, and security features make it an ideal choice for developers of all skill levels.

PROGRAMEE REPORT

Program Name: Three days Workshop on DATA BASE PROGRAMMING WITH SQL

Resource Person: D.Anji reddy

Assistant Professor,

Vaageshwari College of Engineering, Karimnagar

Date of the Event: 21.03.2023 to 23.03.2023

Venue: Seminar Hall

Objectives:

Structured query language (SQL) is a programming language for storing and processing information in a relational database.

A relational database stores information in tabular form, with rows and columns representing different data attributes and the various relationships between the data values.

Learning outcomes:

SQL Workshop course is an extensive training program designed to teach learners the essential skills for working with the SQL language within the Oracle Database 19c environment. This course covers a broad spectrum of SQL techniques, from basic Data retrieval to more complex functions such as manipulating data and managing user access. Starting with an introduction, participants quickly move on to learn how to retrieve data using the SQL SELECT statement, apply restrictions, sort data, and customize output with Single-row functions. Conversion functions, Conditional expressions, and Group functions are explored to report aggregated data. Learners will gain practical experience with Multiple-table joins, Subqueries,

Date: 11.12.2023

PROGRAMEE REPORT

Program Name: Three days Workshop on HTML & CSS foundations

Resource Person: Dr. N. shashikala

Assistant Professor,

KITS College of Engineering & Technology, Warangal

Date of the Event: 07.12.2023 to 09.12.2023

Venue: Seminar Hall

Objectives:

HTML allows users to mark program elements using tags, allowing a web browser to distinguish between features, such as separating the title of this section and the bulleted text. CSS gives stylistic information to a web browser, indicating, for example, what size and font this text should be displayed.

Learning outcomes:

HTML allows students to structure webpage content, while CSS affects the layout and styling. After finishing this course, students will have a solid foundation in building basic websites.

PROGRAMMEE REPORT

Program Name: Three days Workshop on PROGRAMMING & DATA STRUCTURES

Resource Person: Dr. K. Madhuri priya

Assistant Professor,

Mother theressa College of Engineering and technology, Peddapalli

Date of the Event: 22.12.2023 to 24.12.2023

Venue: Seminar Hall

Objectives:

- Master the implementation of linked data structures such as linked lists and binary trees.
- Be familiar with advanced data structures such as balanced search trees, hash tables, priority queues and the disjoint set union/find data structure.

Learning outcomes:

Upon Completing the Course, Students will able to:

1. Learn the basic types for data structure, implementation and application.
2. Know the strength and weakness of different data structures.
