Our institution conducted various programs and activities in promoting gender equity and its relevance in the society. Gender sensitization is currently recognized as a significant aspect in all major policies of academic institutions for creating healthy work environment. The creation of Women's Cell for the redress of grievances of female students has served the all important purpose of providing a platform for their free and active participation, voicing and expressing their opinions, views and issues favoring promotion of gender equality. All the departments conduct various programs. The program basically intends to promote awareness on gender related issues. Programs like Meet with Women Entrepreneur, Self Defense training, Entrepreneurship and Women Empowerment etc. The cell celebrated women's day program every year on 8th March with various programs. Along with these, the college has occupied numerous facilities for the students, especially for girls to take care of their personal hygiene. Necessary measures are taken by Internal Complaints Committee, Anti-ragging Committee and Grievance Redressal Committee to ensure safe and secure environment in college campus. As a measure of security, the college campus is under CCTV surveillance.

a. Safety and security:

The safety and security of students is a prime concern of the college. The support and safety measures are ensured to the students, faculty, and staff without any gender discrimination. Necessary measures are taken by Internal Complaints Committee, Anti-ragging Committee and Grievance Redressal Committee to ensure safe and secure environment in college campus. As a measure of security, the college campus is under CCTV surveillance. Security guards are deployed in parking area, entrances, hostel and common areas. Fire extinguishers and fire hydrants are placed at important locations within the campus to ensure safety during fire accidents. Till date no security breaches or security threats have been reported. Purified drinking water is made available.

b. Counseling Cell:

Faculty interacts with the students to maintain healthy and stress-free environment. This cell helps to develop relationships, behavioral etiquettes, emphasize the importance of communication and respect personal spaces. Counseling plays a significant role in the personal and social well-being of the students. The mentor system in the college has been functioning effectively.

c. Common Room:

The college has an exclusive common room for girls and boys separately. These common rooms are adequately furnished. These rooms are utilized by the students in their leisure time for resort and relaxation. The girls' common room is equipped with a sanitary napkin vending machine and an incinerator.

d. Medical Facility :

Health care facilities for students and staff are felt to be the basic need. The college provides Medicare for all students, faculty and staff and MOU has been signed in this concern.
