Action Taken Report

Academic year: 2022-23

Name of the Stakeholder: Student

A staff council meeting has been convened by IQAC with all the in-charges / heads of the departments under the chairmanship of the principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stake holders.

Students Feedback above 90% is considered as positive feedback, below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	How well did the curriculum align with your learning objectives and goals?	Excellent	98	We will further enhance the curriculum to ensure it aligns even more closely with the learning objectives and goals of the students.
2	Were the learning outcomes clearly stated and achievable?	Excellent	96	The learning outcomes were clearly stated and will be made more achievable through regular assessment and feedback mechanisms.
3	Did the curriculum provide enough opportunities for active learning and student engagement?	Excellent	97	The curriculum will be revised to provide increased opportunities for active learning and student engagement, incorporating innovative teaching methods and interactive activities.
4	How effective were the instructional materials (e.g., textbooks, online resources, handouts) in supporting your learning?	Very Good	96	The instructional materials will be further evaluated and enhanced to ensure their effectiveness in supporting student learning, considering feedback and incorporating additional relevant resources.

5	Were the assignments and assessments (e.g., tests, projects, papers) aligned with the content covered in the curriculum?	Very Good	97	The assignments and assessments will be closely reviewed and aligned with the curriculum content to ensure a better integration and assessment of the knowledge and skills acquired by the students.
6	How well did the curriculum incorporate real-world applications and examples?	Excellent	98	The curriculum will be revised to better incorporate real-world applications and examples, ensuring students can connect theoretical concepts to practical situations and gain a deeper understanding of their field of study.
7	Did the curriculum promote critical thinking, problem-solving, and analytical skills?	Excellent	98	We will provide with more opportunities to engage in challenging tasks and apply their knowledge in practical scenarios.
8	How well did the curriculum integrate technology and digital resources?	Excellent	97	We will ensure seamless integration of technology and digital resources, empowering students with the necessary digital skills and leveraging technological tools to enhance their learning experience.
9	Did you feel adequately supported by the instructor in understanding and navigating the curriculum?	Excellent	98	We will implement measures to ensure that students feel adequately supported by instructors in understanding and navigating the curriculum, such as providing clear guidelines, regular communication channels, and additional resources for clarification and assistance.
10	How would you rate the overall effectiveness of the curriculum in facilitating your learning experience?	Excellent	98	We are committed to continuously improving the curriculum based on your feedback to enhance its overall effectiveness in facilitating your learning experience, aiming for a more engaging, relevant, and impactful educational journey.

4	Rate the clarity and organization of the curriculum materials (e.g., lesson plans, instructional resources, assessments).	Excellent	97	We will review and revise the materials to improve their clarity and organization, ensuring they provide clear guidance and support for teachers in delivering effective instruction and assessment.
5	How well does the curriculum support differentiated instruction to meet the diverse needs of students?	Excellent	98	We will enhance the curriculum by incorporating a variety of instructional strategies, resources, and assessments that cater to different learning styles, abilities, and interests, thus ensuring a more inclusive and personalized learning experience for all students.
6	Rate the level of student engagement and interest generated by the curriculum.	Excellent	98	We will explore innovative teaching methodologies and incorporate interactive learning activities and real-world applications to enhance student engagement and foster a higher level of interest in the curriculum content.
7	How well does the curriculum integrate technology and digital resources to enhance learning?	Excellent	98	We will further enhance the integration of technology by incorporating interactive digital tools, educational software, online resources, and virtual learning platforms, thereby enriching the learning experience and promoting digital literacy skills among students.
8	Rate the effectiveness of the curriculum in fostering critical thinking, problem-solving, and creativity skills.	Excellent	97	We will introduce additional inquiry-based activities, open-ended projects, and collaborative learning opportunities to further enhance the development of critical thinking, problem-solving, and creativity skills among students.

4	Are the learning resources (books, online materials, etc.) provided in the curriculum relevant and accessible?	Good	92	We will review and update the learning resources in the curriculum to ensure their relevance and accessibility for the students.
5	How well does the curriculum address the needs of diverse learners (e.g., different learning styles, backgrounds)?	Good	94	We will evaluate and enhance the curriculum to better address the needs of diverse learners, including accommodating different learning styles and backgrounds.
6	How well did the curriculum prepare students for real-world challenges and industry demands?	Very Good	90	We will strengthen the curriculum to better prepare students for real-world challenges and meet industry demands, ensuring they possess the necessary skills and knowledge upon graduation.
7	How well did the curriculum address the ethical considerations and professional standards relevant to the job role?	Good	92	We will assess and enhance the curriculum to ensure comprehensive coverage of ethical considerations and professional standards relevant to the job role, equipping students with the necessary ethical and professional competencies.
8	Did the curriculum adequately address the practical skills required for the job role?	Excellent	90	We will review and enhance the curriculum to ensure sufficient emphasis on practical skills development that aligns with the requirements of the job role.

Action Taken Report

Date:

Academic year: 2018-19

Name of the Stakeholder: Student

A staff council meeting has been convened by College Academic Committee with all the in-charges / Heads of the Departments under the Chairmanship of the Principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stake holders.

Students Feedback above 90% is considered as positive feedback, below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	How well did the curriculum align with your learning objectives and goals?	Very Good	91	We will further enhance the curriculum to ensure it aligns even more closely with the learning objectives and goals of the students.
2	Were the learning outcomes clearly stated and achievable?	Good	86	The learning outcomes were clearly stated and will be made more achievable through regular assessment and feedback mechanisms.
3	Did the curriculum provide enough opportunities for active learning and student engagement?	Very Good	94	The curriculum will be revised to provide increased opportunities for active learning and student engagement, incorporating innovative teaching methods and interactive activities.

4	How effective were the instructional materials (e.g., textbooks, online resources, handouts) in supporting your learning?	Good	87	The instructional materials will be further evaluated and enhanced to ensure their effectiveness in supporting student learning, considering feedback and incorporating additional relevant resources.
5	Were the assignments and assessments (e.g., tests, projects, papers) aligned with the content covered in the curriculum?	Good	87	The assignments and assessments will be closely reviewed and aligned with the curriculum content to ensure a better integration and assessment of the knowledge and skills acquired by the students.
6	How well did the curriculum incorporate real-world applications and examples?	Very Good	92	The curriculum will be revised to better incorporate real-world applications and examples, ensuring students can connect theoretical concepts to practical situations and gain a deeper understanding of their field of study.
7	Did the curriculum promote critical thinking, problem-solving, and analytical skills?	Excellent	93	We will provide with more opportunities to engage in challenging tasks and apply their knowledge in practical scenarios.
8	How well did the curriculum integrate technology and digital resources?	Excellent	92	We will ensure seamless integration of technology and digital resources, empowering students with the necessary digital skills and leveraging technological tools to enhance their learning experience.

4	Rate the clarity and organization of the curriculum materials (e.g., lesson plans, instructional resources, assessments).	Very Good	90	We will review and revise the materials to improve their clarity and organization, ensuring they provide clear guidance and support for teachers in delivering effective instruction and assessment.
5	How well does the curriculum support differentiated instruction to meet the diverse needs of students?	Excellent	92	We will enhance the curriculum by incorporating a variety of instructional strategies, resources, and assessments that cater to different learning styles, abilities, and interests, thus ensuring a more inclusive and personalized learning experience for all students.
6	Rate the level of student engagement and interest generated by the curriculum.	Very Good	92	We will explore innovative teaching methodologies and incorporate interactive learning activities and real-world applications to enhance student engagement and foster a higher level of interest in the curriculum content.
7	How well does the curriculum integrate technology and digital resources to enhance learning?	Very Good	89	We will further enhance the integration of technology by incorporating interactive digital tools, educational software, online resources, and virtual learning platforms, thereby enriching the learning experience and promoting digital literacy skills among students.
8	Rate the effectiveness of the curriculum in fostering critical thinking, problem-solving, and creativity skills.	Very Good	87	We will introduce additional inquiry-based activities, open-ended projects, and collaborative learning opportunities to further enhance the development of critical thinking, problem-solving, and creativity skills among students.
