ANNUAL E-GOVERNANCE REPORT FOR THE AY: 2021-22

Students Admissions

Unicampus software is used for students' admission to be conducted online. Students fill up their admission form online and accordingly merit list is prepared. All the details of the students' The students' attendance is taken with the application. Like every year, even during this AY, the students' feedback on curriculum delivery and the student satisfaction survey is conducted online. The IQAC then initiates the analysis of feedback and prepares the reports on the same. The College continues to use bulk SMS for communicating with students and parents which was subscribed in the previous AY. The College get an approval of new subscription since the numbers had exhausted.

Library

During this AY, the Library Advisory Committee suggested the Library staff members to undergo further online training on usage of all the library modules of Unicampus software these training sessions were recorded for future reference. Almost all the features of the software are operational.

Staff Attendance

The staff attendance is continued to be taken with biometric mechanism when they come to the campus. During the option of work from home, the staff members maintain a Daily Work Report spreadsheet to record their tasks performed.

Internet Facility

During this AY, the IT support team, with the approval of the Management, enhanced the internet speed of the campus from 40 Mbps to 60 Mbps. The services of internet are continued to be provided from B2B Limited.

CCTV Surveillance

CCTV surveillance system to strengthen campus security. This facility offers a comprehensive range of solutions to secure campus infrastructure effectively
