ALUMNI

"An Institution's Alumni are the reflection of its past, representation of its present and a link to its future".

The LCE Alumni is the network of former graduate students those who have completed their degree and now working in different fields. The Alumni Association of Trinity College of Engineering and Technology has been functioning from 2009 at the college campus.

Objective:

- The main aim of the Association is to maintain the link between College and Alumni and share their details of employment and achievements.

Benefits:

- The Alumni of the association can help the final year students in their project work.
- The Alumni of the association can provide information about the employment opportunities in their respective organizations in India and abroad.
- The Association can help the College is organizing the guest lectures by the Renowned Alumni for the students to get exposure to the cutting edge technologies, research and development and entrepreneurship.
- The strong Alumni association can be a backbone of the college that can contribute towards the developmental activities of the institution.

The Trinity College of Engineering and Technology Alumni Association members meet for an annual get-together every year and all the Alumni present are taken around the campus. Alumni who wish to attend the Annual get-together meeting are provided with all comforts. All the Alumni can participate in various entertainment programs and games organized by the College. The Management and faculty will be delighted to have alumni in the department to share your valuable professional experience among the faculty and students.
